IMPORTANT NOTES...

- We value your feedback. Please complete our online survey which can be found via the QR code below. A paper version of the survey is also included in your folder if preferred. Evaluate each part of the day as it finishes and submit it at the end of the day.

- At appropriate times, feel free to share your experiences to social channels using the hashtags below. Please silence your cell phones during opening remarks, the keynote lecture, workshops, and career panel.
- Just a reminder as per the media release form you submitted, it is your responsibility to avoid cameras if you do not wish to have your picture taken or used in any promotional material.
- Workshop dispersal will begin at the times indicated on your agenda. It is your responsibility to be in the designated dispersal area at these times, so you do not miss your workshop. Volunteers will guide you to your sessions.

MORNING & AFTERNOON DISPERSAL: Congregation Beth Israel - Ballroom

- For safety reasons, please follow the instructions of presenters, volunteers and staff carefully. Ask questions. Have an open mind. Discovering what you don't like is just as important as discovering what you do like.
- Keep your belongings with you at all times – there are no secure storage areas.
- Teachers are asked to please *observe* workshops only, unless otherwise invited to participate by the presenters.
- A variety of sandwich options and dessert squares will be available for lunch. Please take only one sandwich and dessert until we are sure everyone has returned from their morning workshop.
- Our “Health Pros Tell All” panel discussion concludes our day. Panellists will share stories of their academic and professional careers, after which the moderator will invite you to ask questions. A list of speakers will be posted on the theatre doors prior to start time.

Thank you for exploring your career options in the health sciences!
